II. Introduction of Members and Staff

There are no new members at this time.

III. Declaration of Conflicts of Interests

No conflicts of interest were stated at this time.

IV. Review of Agenda

Chairperson Joseph declared the purpose for today's meeting.

Motion by Ms. MacLachlan, seconded by Dr. Lewis, to accept the agenda as presented. Motion Carried.

V. Review of Minutes – March 29, 2007

Motion by Mr. Stanton, seconded by Dr. Dixon, to accept the minutes as presented. Motion Carried.

VI. Vetting and Testing Options in the Context of the Four “Charges”

- A. Review whether facilities providing cardiac catheterization services in Michigan should be required to participate in either or both Blue Cross of Michigan Cardiovascular Consortium (BMC2) registry and the American College of Cardiology National Cardiovascular Data Registry (ACC-NCDR)

Dr. Stuart A. Winston provided a brief introduction of the presenter from the ACC. Ms. Kathleen Hewitt presented a slide show presentation regarding the ACC-NCDR. Discussion followed.

Motion by Dr. Bock, seconded by Dr. Vanderlaan, that facilities providing cardiac catheterization services in Michigan be required to participate in the National Cardiovascular Data Registry's CathPCI Registry. Motion carried with Ms. Reoma abstaining.

Public Comment

Stuart Winston, American College of Cardiology
Kathleen Hewitt, NCDR Registry Services, American College of Cardiology
Robert Meeker, Spectrum Health

Break from 11:08 a.m. to 11:23 a.m.

- B. Review and examine minimum physician volume requirements and institutional volume requirements in the Certificate of Need Review Standards for Cardiac Catheterization Services

Ms. Joseph recommended to the Committee that they should look at minimum physician volume requirements and institutional volume requirements in the Certificate of Need Review Standards for Cardiac Catheterization Services separately. Discussion followed.

Motion by Ms. White, seconded by Dr. Bock, that the physician volume requirements for adult diagnostic cardiac catheterization services be eliminated. Motion Carried.

Motion by Dr. Lewis, seconded by Dr. Dixon, that the physician volume requirements for pediatric diagnostic cardiac catheterization services be eliminated.

Motion to Table until the May 22, 2007 Meeting by Ms. Reoma, seconded by Ms. Thompson. Motion Carried.

Motion by Mr. Alpert, seconded by Ms. Thompson, that the physician volume requirements for adult and pediatric therapeutic cardiac catheterization services remain at the current levels. Motion Carried.

Lunch Break from 12:15 p.m. to 1:23 p.m.

Discussion of institutional volume requirements continued.

Motion by Ms. Thompson, seconded by Ms. Reoma, to maintain the current institutional volume requirements for adult diagnostic and therapeutic cardiac catheterization services. Motion Carried.

Public Comment

Melissa Cupp, Wiener & Associates
Mark Mailloux, University of Michigan

C. Consider New and Emerging Technology

The Committee briefly discussed new and emerging technology. Dr. Dixon will research EPT Codes and Dr. Aronow will research Peripheral Codes for the next meeting on May 22. Discussion followed.

D. How to demonstrate need and compliance looking at geographic locations, volume and types of procedures

The Committee briefly discussed the Charge.

Motion by Ms. White, seconded by Dr. Lewis, that the SAC report to the Commission that they have reviewed data and discussed issues related to the demonstrated need and compliance with regards to geographic locations, volume, and types of procedures (as specified in Charge 4) and recommend that no specific action is required by the Commission at this time. Motion Carried.

VII. Public Comment

None.

VIII. Future Meeting Dates 2007

May 22
June 20

IX. Adjournment

Motion by Dr. Aronow, seconded by Mr. Stanton, to adjourn the meeting at 2:41 p.m. Motion Carried.
